Remembrance 2026

Taupo TBA

President's Report

This year was my 33rd remembrance and was probably the toughest one yet as I have lost so many great friends and club members since the last one. My wife was in hospital but insisted that I had to go so I shot down to Taupo on Saturday morning, did the service and then shot back to Auckland in time for visiting hours. The numbers at the service were well down on previous years and by my count only about 120 people attended. Because of the low numbers and the cost of the venue we are looking at a cheaper alternative that will meet our needs. We will let you know well in advance of any change.

The Auckland and North Harbour branches have been working in collaboration on a couple of projects this year. The Motorcycle Awareness Month ride and the Auckland Motorcycle Show. A big thank you to all of the members from both branches that made these events a great success, in particular to Grant Johnstone the Auckland VP for his dedication to the MAM ride and Craig Moodie our national VP for his organizing of the troops and bikes that were displayed on the stand. Without their commitment these things just don't happen. It

was just unfortunate for me that the date for MAM ride had to be changed and ended up on a day that I had another commitment but did get a ride in as one of my sons and I got on our bikes and rode to Thames for a granddaughter's 2nd birthday. The AMS was a great success and we had a good number of inquiries from prospective members for us to follow up on. This time of year is the time when many charity rides start happening and recently I did the Pink Ribbon Ride. I have probably participated in a couple of hundred charity rides and this one was by far the worst one I have been on. It is such a pity that a very dedicated bunch of people put in so much time and effort to organise a fundraiser for such a great cause and over 270 motorcyclists turn up to give their time and money only to have the Police Officer in a car lead the ride at a pace of between 10 and 15kph. It was bad enough for solo rides and nearly impossible for those with a pillion. I know that the organizers have asked a lot of people for feedback on the ride so they can pass it on and hopefully next year will be better.

You still have time to get your entries in for our Auckland River Meets the Sea Rally and I hope that I managed to catch up with some of you there.

Well that's all from me until next time but remember to keep the shiny side up

Cheers
